

Spring Term 2019

Newsletter 2 - 01/03/2019

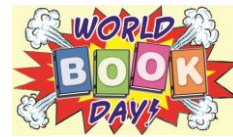

ParentPay for school meals is now up and running and we do hope that this system proves to be a more convenient way for you to make payments. From what we have heard from other schools there may be a few hiccups to begin with and we do appreciate your patience. Other services such as Educational visits, Childcare Fees and Nursery Meals will be introduced in due course and we will inform you when these are 'Live'. Please do not hesitate to contact Mrs Overfield if you have any queries regarding dinner money payments.

Parking Issues: many thanks for your co-operation with the recent parking problems we have experienced outside of the school – the situation does appear to have settled down and we will continue to monitor parking over the coming weeks.
