

welcome to easyPEASY

We are launching a text messaging service which supports parents at home.

You are invited to join EasyPeasy, a free weekly programme of fun, simple game and activity ideas to play with your child. They fit easily into your daily routine, so that every moment - from the school run, to bedtime and bath time - becomes an opportunity to learn through play.

How does it work?

Receive a text message with a link

No need to download anything on your phone; It's EasyPeasy!

Learn how to play

Watch the video and read the rules of the game on your mobile phone.

Get a new game every Saturday

Play, practice and improve throughout the week!

What do I need to do?

To access the service, all we need is your first name and mobile phone number. Please let your school know if you would like to join EasyPeasy.
